|------|--------------|---------|--------|----------|----------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|----------|---------------------|
| 3217 | DragonFlyBSD | Bug     | New    | Normal   | rescue tools: make install fails if rescue folder doesn't exist                                                                                    | Anonymous          |          | 11/27/2019 08:16 PM |
| 3194 | DragonFlyBSD | Bug     | New    | High     | Hammer kernel crash on mirror-stream of PFS after upgrade (assertion "cursor->flags & HAMMER_CURSOR_ITERATE_CHECK" failed in hammer_btree_iterate) | Anonymous          |          | 06/29/2019 01:32 PM |
| 3041 | DragonFlyBSD | Submit  | New    | Normal   | firmware: Remove embedding of multiple images in one module.                                                                                       | Anonymous          |          | 12/25/2020 02:15 AM |
| 2915 | DragonFlyBSD | Bug     | New    | High     | Hammer mirror-copy problem                                                                                                                         | Anonymous          |          | 08/25/2016 05:28 AM |
| 2297 | DragonFlyBSD | Bug     | New    | Normal   | strange NFS (client) error messages / problems                                                                                                     | Anonymous          |          | 02/19/2012 02:59 PM |
| 2292 | DragonFlyBSD | Bug     | New    | Normal   | re interface with jumbo frames (mtu larger than 1500) hangs after some traffic                                                                     | Anonymous          |          | 01/31/2012 12:11 AM |
| 2052 | DragonFlyBSD | Bug     | New    | Normal   | Kernel panic: CPU APIC ID out of range                                                                                                             | Anonymous          |          | 05/02/2011 11:06 AM |
| 1695 | DragonFlyBSD | Bug     | New    | Normal   | NFS-related system breakdown                                                                                                                       | Anonymous          |          | 04/10/2014 12:35 AM |
| 2870 | DragonFlyBSD | Bug     | New    | High     | Broken text and icons when glamor acceleration is used                                                                                             | 375gnu             | ftigeot  | 01/31/2016 12:13 AM |
| 2806 | DragonFlyBSD | Bug     | New    | Normal   | failed to configure a link-local address on ath0 (errno = 22)                                                                                      | Chingyuan          |          | 05/25/2021 01:00 AM |
| 989  | DragonFlyBSD | Bug     | New    | Normal   | installer/fdisk trouble with wrapped values                                                                                                        | Discodestroyer     |          | 02/18/2014 06:27 AM |
| 2620 | DragonFlyBSD | Bug     | New    | Normal   | moused problem                                                                                                                                     | FilippoMo          |          | 12/20/2013 10:32 AM |
| 2618 | DragonFlyBSD | Bug     | New    | Normal   | mouse problem on RELEASE-3_6_0                                                                                                                     | FilippoMo          |          | 12/20/2013 03:26 AM |
| 2453 | DragonFlyBSD | Bug     | New    | Normal   | panic: assertion "gd->gd_spinlocks == 0" failed                                                                                                    | Johannes.Hofmann   |          | 11/12/2012 12:54 PM |
| 1850 | DragonFlyBSD | Bug     | New    | Normal   | volume-add on hammer root fs panic                                                                                                                 | Johannes.Hofmann   |          | 04/18/2019 04:27 AM |
| 3006 | DragonFlyBSD | Bug     | New    | Normal   | boot0cfg: panic in kern_udev.c in function _udev_dict_set_cstr when installing in VirtualBox                                                       | MichiGreat         |          | 04/01/2017 02:22 PM |
| 1246 | DragonFlyBSD | Bug     | New    | Normal   | bad resolution (monitor desync) with livedvd                                                                                                       | Przem0l            |          | 02/18/2014 06:29 AM |
| 2493 | DragonFlyBSD | Bug     | New    | Normal   | vidcontrol: invalid video mode name                                                                                                                | Svarov             |          | 01/24/2013 09:55 AM |
| 3120 | DragonFlyBSD | Bug     | New    | Normal   | Intel AC 8260 firmware does not load                                                                                                               | Vintodrimmer       |          | 08/28/2018 03:30 AM |
| 2852 | DragonFlyBSD | Bug     | New    | Normal   | Hammer File System - hangs on undo during system boot / mount - will not recover on DragonFlyBSD newer than 3.6.0                                  | abale              |          | 05/11/2021 04:07 AM |
| 1941 | DragonFlyBSD | Bug     | New    | Normal   | wlan config crash                                                                                                                                  | abandon.every.hope |          | 12/24/2010 07:54 PM |
| 2250 | DragonFlyBSD | Bug     | New    | Normal   | Kernel panic                                                                                                                                       | adamk              |          | 11/23/2018 01:10 AM |
| 3351 | DragonFlyBSD | Bug     | New    | Normal   | XDM and GDM3 display manager under DragonFlyBSD 6.4: After starting — do only display black screen and fail to run correctly                       | adrian             |          | 06/17/2023 08:22 AM |
| 3350 | DragonFlyBSD | Bug     | New    | Normal   | tmux: Terminfo file usr/share/terminfo/t/tmux-256color does not work correctly, when logging in from a remote tmux terminal session                | adrian             |          | 06/17/2023 12:46 AM |
| 3300 | DragonFlyBSD | Bug     | New    | Normal   | Running Xvnc from TigerVNC package through the INETD daemon in TCP WAIT mode fails hard                                                            | adrian             |          | 01/08/2022 04:25 AM |
| 2210 | DragonFlyBSD | Bug     | New    | Normal   | Bugtracker cannot assign default project for new users                                                                                             | ahuete.devel       |          | 11/17/2011 11:30 AM |
